ZULAL DISCOVERY ACTIVITIES

We have a weekly changing calendar of engaging activities, divided into age appropriate categories as well as those for families to enjoy as a whole. The vast range and number of activities have been expertly devised to engage the active and introspective aspects of a human being and encourage a love and respect for nature.

DISCOVERY OASIS

At Discovery Oasis, our Family Wellness Centre, we offer activities in education, sports, creativity and nutrition. It is designed, in all respects, as an oasis of inspiration for families to spend time together learning, laughing and bonding.

DAILY ACITIVITES AT ZULAL DISCOVERY

The large number and rich variety of activities that we offer at Zulal Wellness Resort are central to our philosophy for personal awareness, responsibility and choice. We believe that connection through shared activity brings families together in learning and enjoyment.

HEDGEHOG WELLNESS ACTIVITIES 0 TO 3 YEARS

Our activities for the little ones open their minds to the wonders of creative play and discovery of the world around them, from painting rocks and printing with leaves to washing trucks and threading beads.

FOX WELLNESS ACTIVITIES 4 TO 8 YEARS

Small children love to explore their physicality either in water, with games, playing tag or dancing. Outside, we introduce them to the nearby mangrove and the stars in the sky. Indoor activities include baking cupcakes, finger painting and discovering the sounds of animals.

FALCON WELLNESS ACTIVITIES 9 TO 12 YEARS

For this age group, we offer more structured activities such as learning badminton, making movies or granola bars, drumming and ceramics. We introduce sustainability concepts with such activities as an upcycling workshop and gardening.

ORYX WELLNESS ACTIVITIES 13 TO 17 YEARS

We encourage teens to expand their horizons with cookery, crafts and meditation and we nurture their desire to achieve fitness, endurance and cognitive exploration through physical activities including kayaking, slacklining, orienteering and fun sessions in disco and dance.
