Our Promise

We're passionate about growing communities of global thinkers and explorers, at home and abroad – whatever their story. We set up Bayswater because we want people from every walk of life to get a buzz from discovering new cultures, exploring new flavours, and learning what's out there. We think of them as global spirits, like ourselves.

A home away from home

We're here to support you, at every step of your journey.

More power to you

We're a student powered community, listening to you and celebrating your efforts and achievements.

Your success is ours

It's our job to meet your needs and give you what you need to succeed. Your goals are ours too.

Inspiring global spirits

Why we do what we do – to empower all young people to create the life they want to live.
