

M/Y MIRA

M / Y MIRA

13.85m / 2 Cabins / 4 Guests

The boat is brand new and has always been maintained by official service dealers. The Azimut Atlantis 43 is equipped with a hard top that provides ample space in the cockpit while also offering protection from the sun and wind. It has an open design with a sleek and sporty look, yet it still maintains the style that distinguishes the Azimut shipyard.

The boat features a spacious sunbathing area at both the bow and stern, as well as a very comfortable platform with an electro/hydraulic drive that can be used for launching and retrieving the tender or other water toys placed on it or in the tender garage. The tailgate of the tender garage is also electro for added convenience.
