

Princess TA Marathon 50 XT

Princess TA Marathon 50 XT

18m / 1 Cabins / 10 Guests

Unleash your spirit of exploration aboard the Princess TA Marathon 50 XT an 18-meter high-performance yacht engineered for fast-paced adventures and island discovery. Built in 2017 with a sleek planning hull and powered by four Yamaha 300HP engines, she reaches speeds up to 31 knots, letting you cruise effortlessly between Indonesia's most remote and breathtaking destinations. With space for 10 guests by day and comfortable overnight accommodation for 3, including a master cabin on the main deck, Princess TA offers a seamless blend of power, comfort, and freedom. Air-conditioned interiors, indoor/outdoor dining spaces, and a 6m tender add to the experience, making her the ideal vessel for those seeking bold journeys with a touch of refined simplicity.

Princess TA Marathon 50 XT

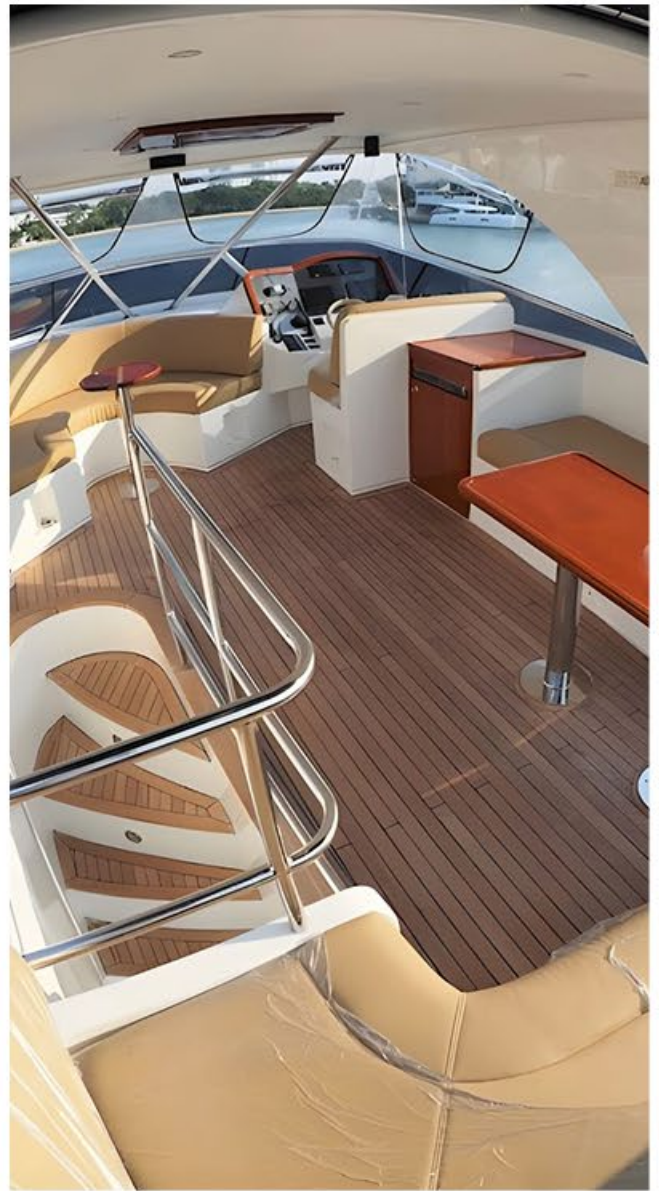

Explore Indonesia's remote waters aboard the 18m Princess TA Marathon 50 XT a fast, comfortable power yacht built for island-hopping thrills. With speeds up to 31 knots, space for 10 guests, air-conditioned cabins, and a powerful 4-engine setup, she's your perfect launchpad to chase sunsets and discover hidden coves.

Exterior

Sporty and sleek, the 18m Princess TA Marathon 50 XT features a fiberglass hull, powerful quad Yamaha engines, and an open deck layout ideal for fast cruising, sunbathing, and seamless sea access.

Interior

The interior of Princess TA Marathon 50 XT offers a clean, modern space with air-conditioned comfort, a cozy double cabin on the main deck, and a compact guest cabin ideal for intimate overnight stays. Indoor dining and a simple entertainment setup create a relaxed, home-like atmosphere at sea.

Cabins

Princess TA features a double master cabin on the main deck and a compact single guest cabin both air-conditioned and simply designed for comfort. With practical layouts and easy access to shared amenities, they're ideal for short overnight stays.
