Aliée İstanbul:
A House for Collectors, Creatives & Curious Minds during

CONTEMPORARY ISTANBUL

21st
EDITION

23-27 SEPTEMBER, 2026

YOUR PRIVATE GROUND DURING THE FAIR

Contemporary Istanbul is experienced far beyond the fair itself. For one week, Aliée becomes your private cultural base in Istanbul.

From At First Sight Access to Contemporary Istanbul and curator-led encounters to personalised hospitality and carefully curated experiences, every moment is designed around the rhythm of the city's most anticipated art week.

BEGIN BEFORE THE CITY AWAKENS

Your Contemporary Istanbul journey begins with At First Sight Access. Reserved for Friends of Aliée, it offers the opportunity to encounter this year's galleries, artists and exhibitions during the fair's opening hours, alongside collectors, curators and exhibitors.

BEYOND THE GALLERIES, DISCOVER THE HOUSE

Aliée's Inside Collection Art Tour offers a private journey through the House's own collection, guided by our art curator.

Each work reveals another layer of Aliée's identity while creating new conversations between contemporary art, architecture and the stories that shape the House itself.

SEE ISTANBUL THROUGH A DIFFERENT PERSPECTIVE

The Aliée Boat Collection and bespoke cultural itineraries open another way to experience Istanbul, beyond the galleries and the city's familiar routes.

Every journey is thoughtfully shaped around your own curiosities, creating a deeper connection with the culture, people and stories that define the city.

THE HOUSE BETWEEN EVERY APPOINTMENT

Between previews, gallery visits and evening dinners, Aliée quietly supports the rhythm of your week.

Priority dining reservations, Well+ and personalised hospitality create space to pause, reconnect and continue each day naturally.

THE CITY'S MOST GLAMOROUS TABLE

As Contemporary Istanbul winds down for the day, the city's cultural rhythm continues at Mondaine de Pariso Istanbul.

A theatrical world of live performances, refined gastronomy and an atmosphere designed for lingering conversations, spontaneous encounters and unforgettable nights.
