# WELCOME TO TITANIC LUXURY COLLECTION

Enjoy the green that extends to the blue, the flavors that pamper your palate, the pleasures that are tasted for the first time and the joy of your loved ones. Do something good for yourself today: Take a closer look at Titanic Luxury Collection Bodrum. Feel the luxury holiday you deserve today...

**About the Hotel**
Titanic Luxury Collection Bodrum is located in the Güvercinlik region of Bodrum, one of Turkey's most popular holiday destinations. Situated on the seafront with a 350-meter-long beach, the hotel spans an area of 80,000 m² in the stunningly beautiful Güvercinlik Bay. The resort features 394 rooms across 29 blocks, offering 14 different room categories.

**Location**
Just a 15-minute drive from Bodrum-Milas Airport, Titanic Luxury Collection Bodrum is approximately 30 minutes from Bodrum city center and 45 minutes from Yalıkavak Marina. As the closest luxury resort to Bodrum Airport, it is easily accessible via VIP transfer, taxi, helicopter, private yacht, or boat.

**Transfer from the Airport**
Available options: VIP transfer, taxi, helicopter

**Beach**
Titanic Luxury Collection Bodrum boasts one of the longest beaches in Bodrum, featuring a 350-meter Blue Flag-certified stretch of white sand and three separate piers. Drinks and towels are served directly to sun loungers. A dedicated area on the beach is reserved for guests aged 16 and above. The beach area also includes 5 restaurants, 6 bars, a wine house, a volleyball court, a New Padel Court, and an outdoor fitness area by Woodsman. For families, New Kikoa Kids Beach Activity Area and activity area are also available.

**Climate**
With its clean, oxygen-rich air, Güvercinlik is known for having one of the highest air qualities in Turkey. Although temperatures rise during the summer months, the humidity remains low, providing a comfortable climate.

# SUSTAINABILITY AND ENVIRONMENTAL MANAGEMENT

## Hotel Safety and Security

Our audits are carried out by agencies every year.

## General Hygiene

All documents and Material Safety Data Sheets (MSDS) related to the chemicals used are available on-site. Staff training programs are conducted regularly to raise awareness and ensure safe handling practices. These efforts are designed to promote both guest satisfaction and environmental responsibility.

## Water

To ensure water safety, our team receives regular training, which is documented following inspections by authorized official institutions.
In addition, the water used for our garden irrigation system is supplied by the facility's on-site wastewater treatment plant.

## Electricity, Fuel and Power

Our facility utilizes a solar energy system and energy-saving equipment to promote sustainability and reduce environmental impact.
As a certified Bicycle-Friendly property, we actively encourage both our guests and employees to choose eco-conscious transportation alternatives and raise awareness about reducing fuel consumption.
An electric vehicle charging station is also available on-site for our guests' convenience.

## Environment

We contribute to our environment and nature through the activities we carry out with our team and our regular donations to the TEMA Foundation.
In addition, we support our Environmental Sustainability Policy by collaborating with companies that hold local product certifications.

## Urgent Care

Titanic Luxury Collection Bodrum hotel has a 24-hour nurse and emergency ambulance service, seven days a week.

## Swimming Safety

Fully trained lifeguards are always on duty at the beach and pools during red and yellow flags.

## Safe Tourism and Sustainability

We are among the first hotels to be awarded the GSTC Stage 3 award.
