Sofitel
Candle Ritual

This festive season, discover Sofitel Ras Al Khaimah Al Hamra Beach Resort illuminated by the warm glow of candlelight.

Inspired by Paris in the 1860s, when more than 56,000 gas lamps first lit the 'City of Lights', the **Candle Ritual** brings this radiant legacy to the resort.

As candlelight fills the evening, joyful gatherings, thoughtful service rituals and indulgent festive creations await.

The Show
Begins

The festive season begins with the Christmas tree lighting taking centre stage. Welcome Santa, sip traditional *Glühwein* and enjoy festive treats and live music in the lobby.

From *La Bûche* and seasonal afternoon tea to cocktails inspired by winter flavours, French traditions meet the spirit of Ras Al Khaimah.

A little *joie de vivre*, shared with those who matter.

Elegant
Celebrations

Make the festive season your own, from intimate dinners to lively gatherings with family and friends.

Enjoy specially curated menus, festive drinks, thoughtful concierge service and entertainment throughout the resort.

Gather for a Christmas Day brunch and welcome the New Year with grand fireworks by the coast.

However you choose to celebrate, there is always a moment waiting for you.

A Special Visit from *The North Pole*

And throughout the month, Santa Claus will be joining us for daily visits, classic Christmas film screenings and plenty of surprise activities, bringing a little extra magic to your stay.

For the daily programme and further information, please speak with our Reception team.

Christmas Tree *Lighting*

Let the Season Light Up

Gather in the lobby as the festive season begins with the lighting of our Christmas tree.

Share this moment with family and friends as Santa makes a special appearance, accompanied by a familiar warmth of a choir from a local music school in Ras Al Khaimah.

Traditional *Glühwein*, warming hot chocolate, mince pies, Christmas cookies and festive bites set the mood as the hotel comes alive with the sounds and flavours of the season.

A joyful gathering to welcome Christmas at Sofitel Ras Al Khaimah Al Hamra Beach Resort.

The Golden *Blends*

Winter flavours find their way into the glass with a collection of cocktails and alcohol-free creations crafted for the festive season.

Think warming spices, dried fruits, caramel notes and rich seasonal flavours, inspired by snow-covered scenes, cosy firesides and nostalgic festive desserts.

Discover the collection at
Veritas, Réunion and **Citron.**
